Though we try to contact customers in the event of a delay, please plan accordingly. PLEASE, **be aware if no one is present at time of delivery, it will be push to last.**
3. Equipment delivery is usually done between 9:00am and 12:30pm. Pick ups begin at 6:30pm
4. Setup will star after balance has been collected and the Rental Agreement has been signed by a responsible adult.
5. A responsible adult **must** be in the premises at the time of set up and break down.
6. Be aware of the size of the bounce house you are renting, add at least two or three feet all around and then plan where the bounce house will go. Be sure there is overhead clearance. Plan a spot away from your house meters.
7. Please make sure that the yard is free from any and all **animal droppings**, and debris such as sticks and rocks which will damage the bounce house. In case drivers are in need to remove droppings or clear up the area, a **\$50 fee will be automatically imposed.** Please have it ready.
8. There must be a flat area to setup the bounce house. Slight inclines are ok, but not recommended.
9. A clear path that is at least 4 feet wide will be needed to reach the place of setup. Please move any garbage cans, toys, hoses, etc that may be in the way before we arrive to set up and pick up. There will be a fee charge if driver has to clear the path in order to deliver or pick up equipment.
10. Turn off all sprinkler systems, including under ground sprinklers. Perfect Party is not responsible for damages dome to these systems, or water pipes etc.
11. Inflatables need an electrical source and you, the customers are responsible to provide a working electrical source. An electrical outlet must be located within **75 feet** of setup position. Confection machines also require electricity. Generators are available for an extra charge. Please be advised, that we typically do not carry extra generators with us. In the unfortunate event that sufficient power is not available, payment in full is still due.
12. Review the weather and refund policies and think if there are any other questions.
13. Food, drink and snack area should be at a safe distance from the inflatable.
14. A \$50.00 cleaning fee shall be automatically imposed, so please, keep all party toys such as 'silly string,' confetti, candy, face paint and other toys away from bounce house.
15. Keep all unnecessary electric wires and cables away from bounce houses.
16. In the event that the equipment is not returned at the appointed time and we have to return to pick the equipment up at a different time, then a \$50.00 Transportation Fee shall be automatically imposed, plus any "lost of rental" amount.
17. It takes approximately 20 minutes to set up or take down the Bouncer. Please allow a little additional time if a concession machine is being rented so that we can go over instructions with you.

Also, the renter must be aware of all necessary requirements necessary to make it suitable to set up the equipment reserved. We must receive payment in full or have a credit card deposit in order for a reservation to be valid. Any reservations made without payment or deposits are not guaranteed, unless otherwise arranged with management. In the event of cancellation, the deposit may be applicable for future bookings, but it will not be refunded.

How do I pay?

We currently accept cash, credit card (Visa or Master Card only), pay pal or a check. **We do not setup until the rental fee has been collected and the Rental Agreement has been signed.** If the remaining balance is to be paid at delivery time, only cash will be accepted. All checks must be cleared before the event.

What if it rains, I need to cancel or change the date?

In the event of cancellation made up to 48 hours of the delivery date, the 25% non refundable deposit may be applied for future bookings made within 3 months from the date of the cancellation. All cancellations must have verbal or written authorization. No messages will be accepted. Cancellations made within 48 hour of the date of the event, (excluding the date of the event), the 25% non refundable deposit will not apply for future bookings, due to lost of possible rental revenue. Cancellations made the day of the event will forfeit 50% of **total invoice cost** including services, due to lost of rental. Any authorized refund will be reimbursed by a company check. We only ask that you give us as much notice as possible, but In the *event of rain* in the delivery area, customers will be contacted before the time of delivery to confirm the order. At this time customers have the opportunity to cancel with no cancellation fee imposed. If the customer decides not to cancel and delivery is on its way, there will be no refunds. In the event of extreme weather conditions, which could cause unsafe jumping conditions or damage to the equipment, We're Perfect Party Rental reserves *the right to cancel a delivery*. A weather cancellation made by Perfect Party Rental will result in a full refund or full credit towards another rental.

What if I want to have my party in a park?

No problem, but please check with the park's department on the use of a bouncer at your party. Be aware, not all parks **offer** electricity for the inflatable and **most** parks require a trained bounce house attendant. We can provide both, but we must be notified with at least 72 hours of the date of the party in advance. Please be advised, that we typically do not carry extra generators or staff with us. In the event that sufficient power is not available or properly working; the **payment in full is still due**. You may provide your own generator, it must be of least 3800 watts, but in case it stops working, runs out of gas etc, we are not responsible for it, so please, check that it is properly working before your event.

About Our Units:

How do the bouncers operate?

All of our units operate by attaching an enclosed blower to the bouncer. This blower attaches at the rear of the unit and constantly blows air into the base of the unit. The units have been designed to loose air through the seams (where the vinyl has been sewn together). This creates the bounciness of the bouncer! The blower must operate at all times the bouncer is in use or the bouncer will deflate. Our units require an 110v electrical outlet commonly found in garages, or on exterior walls. This outlet must be no more that 75 feet from the unit. If you require a generator, we must be notified given 72 hours advanced notice. Please be advised, that we typically do not carry extra generators with us in our trucks. In the unfortunate event that sufficient power is not available, payment in full is still due.

How long does it take to set up a Bouncer?

It takes approximately 20 minutes to set up or take down the Bouncer. Please allow a little additional time if a concession machine is being rented so that we can go over instructions with you. A preliminary cleaning of the bouncer might take place before take down.
